14/15 of July 2014

<i>Participant</i>	<i>Organisation</i>
Nick Platt Julie White	Growing Rural Enterprise
Mirna Fusaro Elena Zampaolo	ASSOCIAZIONE NET (ITALY)
Carina Klement Rebekka Kugler	BILDUNGSHAUS SCHLOSS RETZHOF (RETZHOF CASTLE) (AUSTRIA)

FIRST DAY - 14TH OF JULY 2013

The meeting was held in S. Baniulis farmstead. The activity of this farmstead consists of 3 parts: rural tourism, riding club and ecological farming. Trainers of this club teach youngsters and other people to ride on the horses, they ride a race annually. There are growing up ecological tomatoes, cucumbers, onions, aubergines, zucchini, dills, peppers in S. Baniulis farmstead. The small amount of ecological vegetables are sold in markets, the rest amount is used for different events in S. Baniulis farmstead. www.baniuliusodyba.lt.

PRESENTATION OF THE AGENDA by Julija Šešeika (Ercc)

STATE OF THE ART OF PARTNERS:

- Ms. Carina Klement introduces their state of the art of the project. **See annex 1**
- Ms. Julija Šešeika presents their state of the art of the project **see annex 2**
- Ms. Mirna Fusaro introduces Associazione NET idea of the routes. **see annex 3**
- Mr Nick Platt introduces their state of the art of the project. **See Annex 4**

The meeting go on with the presentation by the Austrian partner on the dissemination activities **Annex 5**. The project aims also at organising local and international workshops. So partners are invited to do it at home and in occasion of their international/transnational meetings.

The last part of the morning is dedicated to the evaluation activities. Julija (Ercc) shows a presentation of the evaluation of the meeting in Austria **See Annex 6** and the interim evaluation **See Annex 7**

At the end of the morning the partnership faced the situation of the Bulgarian partner. Partners are a little tired of the fact that they can never count on the Bulgarian partner for anything.

We do not even know if they are organising the meeting in Bulgaria. It is decided then to send them an email giving them a deadline to give us some answers. If we receive no answer within a certain date a letter will be sent to their National Agency.

The afternoon is spent for visit on site as established by the agenda. Ecological homestead "The House of Storks". The owner of homestead Mrs. Zofija Tikusiene, radiologist-pulmonologist by profession, arranges for local and foreign tourists accommodation in historical 100 years old house, located in countryside, near forest, herb-bath and sauna, various herbal tea according to the state of your health and other services. All products used for these treatments are ecological and produced in the own farm with certification marks. Partners participated in herbal tourism activities, arranged by Mrs. Zofija. They went to the meadow and forest and picked up herbs with the guidance of Mrs. Zofija. She told about all herbs, growing in the meadow and forest, what they are healing and used for. After 2 km walking and picking up herbs, partners made the tea of herbs, collected themselves, and got acquaintance with certificated herbs mixtures of Mrs. Zofija. Also partners had possibility to observe certificated dryer of herbs and ecological garden of herbs.

SECOND DAY - 15TH OF JULY 2013

Steering committee:

First thing partners decide are next meeting dates:

1. Meeting in Bulgaria (if it will be done) - 2 options were decided **26/27 of February and 05/06 of March 2015**. The options will be sent to the Bulgaria Partner to see if one of the 2 is ok
2. Meeting in Italy - **18/19 of June 2015**

After a brief summary of what was done so far and discussion of the next steps.

BEST PRACTICES: the final collection was uploaded in the web site. Partners are invited to check it and see if it is really the final version they sent. Send feed back to Associazione N.E.T. by the **29 of August 2014**.

ITINERARY MAPS: it is decided that partners can use the map they think to suit better their itineraries and the legend will report the information required in each country.

During the meeting in Birmingham the graphic designer will be invited so that partners can better understand what to send and possible layout of the brochure and costs.

Web Site: it was checked and some corrections/changings asked. The best practices collections upload will be checked and eventual changings and modifications sent.

Austria and Lithuania ask to increase and modify their presentations in partners section.

They are going to send them by the end of JULY 2014

GRE is sending their new logo always by the end of JULY 2014

Section meeting Padova:

- change the name of annex6 Padova meeting report in annex6 project explanation

Section meeting in Austria:

- change the name of annex2 bis Lithuania BP in annex2 bis Lithuania state of the art.

Section Galleru

- Partners have to send pictures taken in Austria to send them to Bulgaria

Evaluation: to upload the evaluation interim report in the web site

Dissemination: Retzhof Castle is waiting for the next dissemination template by the 2ND OF SEPTEMBER 2014

Meeting in UK: it is thought to organise a sort of thematic workshop. So each partner is taking to UK example of small business explaining the situation in each country regarding self entrepreneurial conditions, micro credit, public fundings. If there are associations/organisations supporting during the start up face.

The afternoon was spent to visit the dunes which will be of one of Lithuanian itineraries.

Deadlines: check them in the report and respect them.
